HYMER Motorhomes

**HYMER**

# The sign for HYMER quality.

HYMER has always been the embodiment of mobile travel and the assurance of ultimate quality. Decades of experience and knowledge gained at the forefront of development and construction is invested in all vehicles made by HYMER. Our highly trained employees continuously develop their skills using them specifically for one goal: „The best result“. Because of this, HYMER builds vehicles that are unparalleled: designed, built and tested with years of know-how and passion. Our employees and customers know that quality pays off and it's what makes the HYMER difference.

**EHYMER**

Hymer Motorhomes

## Always an original

For generations of holidaymakers, Hymer is the epitome of holidaying on wheels. And there is a good reason for this: Since the invention of the motorhome by Erwin Hymer in 1961, our vehicles have set standards and affect developments in this area of industry. Whatever class you are searching in: at Hymer you will always find the original.

**We use this edge** to offer you more – more choice, more comfort, more safety. Anyone who has been on the road in a Hymer motorhome will appreciate the difference. The thing that makes travelling a unique adventure here is the diversity of high quality details. And more than 50 years of experience that we draw upon to bring these details for you into perfect harmony.

You can gain a particularly good impression of this from the **new 2013 model year**. On the following pages of this price list, you can find the special equipment options of the individual model series and also an exhaustive list of the standard equipment.

**Of course, a description** is no substitute for first-hand experience of the original. You should therefore

take advantage of the opportunity at your Authorised Hymer Dealer to carefully look around your dream

„For us, the name Hymer is a bond. And for our customers a promise. These motorhomes offer the best performance and the best quality in any vehicle category.“

Bernhard Kibler

vehicle and, better still, take it for a test drive. Our close-knit dealer and service network in UK and Europe provides you with the assurance that there is always first-class support nearby.

**Further information** about all available floor layouts and equipment versions can be obtained as always from your Authorised Hymer Dealer or [www.hymer.com](http://www.hymer.com).

**If, in addition, you** are among the growing number of Facebook users, we would be delighted to

hear about your journeys and experiences at [www.facebook.com/hymerAG](http://www.facebook.com/hymerAG). Many of our customers contribute to this site on a regular basis and make it a lively and informative place to visit. You can find valuable tips covering the whole spectrum of holidaying on wheels with the original. Experience them yourself: the mobile homes from Hymer.

B-Klasse

# Standard Equipment HYMER B-Klasse

## Basis

- Driver- and passenger airbag (Please consider: On passenger airbag it is not allowed, to fix child seats with restraint system on passenger seat.)
- Daytime driving light integrated in HYMER head lamps
- Fiat Ducato Multijet 96 KW/ 130 HP, Euro 5+
- 6 gear
- AL-KO frame
- ABS (anti-lock braking system) / EBD (electronic brake force distribution)
- ESP incl. ASR, Traction Plus and Hill Holder
- Suspended exterior mirror, in vehicle finish, electrically heated and adjusted, incl. wide-angle mirror
- Mud flaps on front and rear axle

## Superstructure

- HYMER clear glass roof vent 40 x 40 cm with pleated darkening blind and fly screen over rear bed(s)
- HYMER Panorama roof vent 80 x 50 cm with LED illumination in living area
- Great garage door on driving direction right and left
- Appealing, modern exterior visual appearance due to round accumulative form in aluminium smooth metal
- LED awning light with rain deflector
- Heated double floor incl. basement boxes
- GRP light construction floor with Styrofoam insulating
- HYMER frosted glass roof vent 40 x 40 cm with pleated darkening blind and fly screen in bathroom
- Optimal Insulating due to approved PUAL-construction with foamed walls and foamed roof (35 mm roof- and wall thickness) and frame windows
- GRP roof coating (GRP roof coating is not in exterior finish. The surface of the GRP coating doesn't comply to an painted exterior plate)
- Electric entrance step, 1-stepped
- Folding darkening system in driver's cabin made of high quality pleated material
- Driver's door with electric window and illuminated entry
- Outside hatch on driver's side to load L-seating group (depends on layout)
- HYMER frosted glass roof vent 40 x 40 cm with pleated darkening blind and fly screen above separate shower (depends on layout)
- Living area entrance door with window and inner shell
- Front spoiler white
- Masking strip in anthracite filling
- Double floor stowage compartment, central, with deep GFR tray for additional stowage room in double floor

## Outfitting

- Additional cushion between lengthwise single beds with extendable ladder (separated cushion)
- Comfort L-shaped seating group with lounge upholstery and 2 integrated 3-point belts (depends on layout)
- Pull down bed manual lowerable
- Luxury table: swivels through 360°, lengthwise and across slidable with solid wood frame
- Aguti Ergoflex pilot seats in living area fabric, swivel, height and tilt adjustable
- Fly screen roller blind on entrance door
- Sleeping comfort system with cup slatted frame and multi zone cold foam mattress for front bed
- Sleeping comfort system with cup slatted frame and multi zone cold foam mattress(es) for rear bed(s) except 698

## Heating / A/C / On-board systems

- Complete interior illumination in LED
- Boosted battery 12 V 95 Ah AGM
- New heating concept for driver's cabin with boosted warm air heating incl. heated dash board when vehicle is not driving
- Heating Combi 6 with warm air system
- Waste water tank 90 l, insulated and heated
- Fresh water tank 20/130 l, insulated and heated
- Ambiance lighting

## Multimedia

- Flat screen bracket
- Radio-/ TV provision incl. 12 V socket, surface speaker in rear bed room, radio and DVB-T antenna

## Kitchen

- Servo-Soft move in kitchen area
- Extra deep sink with fitted cutting board and high water tap

- 6 gear
- AL-KO frame
- ABS (anti-lock braking system) / EBD (electronic brake force distribution)
- ESP incl. ASR, Traction Plus and Hill Holder (except B 778 and B 798 SL)
- Suspended exterior mirror, in vehicle finish, electrically heated and adjusted, incl. wide-angle mirror
- Automatic air conditioning with pollen filter, engine-driven
- Cruise control
- Foglights
- Special coil springs for front axle, incl. Axle load increase
- Central locking for driver's- / entrance door and garage doors
- Mud flaps on front and rear axle

## Superstructure

- GRP light construction floor with Styrofoam insulating
- HYMER frosted glass roof vent 40 x 40 cm with pleated darkening blind and fly screen in bathroom
- GRP roof coating (GRP roof coating is not in exterior finish. The surface of the GRP coating doesn't comply to an painted exterior plate)
- Great garage door on driving direction right and left
- HYMER Panorama roof vent 80 x 50 cm with LED illumination in living area
- Appealing, modern exterior visual appearance due to round accumulative form in aluminium smooth metal
- LED awning light with rain deflector
- Optimal Insulating due to approved PUAL-construction with foamed walls and foamed roof (35 mm roof- and wall thickness) and frame windows
- HYMER clear glass roof vent 40 x 40 cm with darkening blind and flyscreen over rear bed(s), except B 624 SL 80 x 50 cm roof vent
- Folding darkening system in driver's cabin made of high quality pleated material
- Driver's door with electric window and illuminated entry
- Comfort entrance door with window and inner shell
- Insulating glazing for driver's cabin side windows and driver's door
- Electric step for driver's door (automatic move-out on opening driver's door)
- Electric step, 2-stepped
- Great outside flap on passenger's side to load longitudinal seating bench (except B 624 and 674 SL)
- Great outside flap on driver's side to load L-seating group
- Hinged window in rear in driving direction on the right and left (on LHD vehicles) with pleated darkening blind and fly screen (depends on layout)
- Masking strip in anthracite filling

## Outfitting

- Additional cushion between lengthwise single beds with extendable ladder (separated cushion)
- Pull down bed manual lowerable
- Comfort L-shaped seating group with lounge upholstery and 2 integrated 3-point belts
- Luxury table: swivels through 360°, lengthwise and across slidable with solid wood frame
- Aguti Ergoflex pilot seats in living area fabric, swivel, height and tilt adjustable
- Bar cabinet
- Fly screen roller blind on entrance door
- Sleeping comfort system with cup slatted frame and multi zone cold foam mattress for front bed
- Sleeping comfort system with cup slatted frame and multi zone cold foam mattress(es) for rear bed(s)
- Queens bed in the rear manual lowerable (max. 15 cm), length of movable, electrical
- Head piece for rear beds adjustable electrically
- Wooden slatted frame in the shower
- Ceramic toilet Thetford

## Interior design

- Living area concept "Studio"

## Heating / A/C / On-board systems

- Complete interior illumination in LED
- Warm water heating ALDE (incl. Booster in driver's cabin) incl. dash board convectors
- Heat exchanger for ALDE warm water heating
- Waste water tank 175 l, insulated and heated
- Fresh water tank 20/190 l, insulated and heated
- Ambiance lighting
- Night lighting with changeover switch
- Boosted battery 12 V 160 Ah Gel

## Multimedia

- Radio-/ TV provision on sideboard incl. TFT-bracket, loudspeaker, Radio and DVB-T antenna, 12 V socket
- Flat screen bracket

## Kitchen

- Jumbo fridge 160 l
- Extra deep sink with fitted cutting board and high water tap
- Electric kitchen equipment move-out
- Servo-Soft move in kitchen area

# Standard Equipment HYMER StarLine

## Basis

- Daytime driving light integrated in HYMER head lamps
- ABS (anti-lock braking system) / ASR (anti slip control) / EBV (electronic brake force distribution) and ESP (electronic stability program)
- Driver- and passenger airbag (Please consider: On passenger airbag it is not allowed, to fix child seats with restraint system on passenger seat.)
- Heavy duty alternator 14 V / 180 A
- Mercedes-Benz 316 CDI, 120 KW/ 163 PS, Euro 5 (580)
- Mercedes-Benz 516 CDI, 120 KW/ 163 PS, Euro 5 (680, 690)
- Suspended exterior mirror, in vehicle finish, electrically heated and adjusted, incl. wide-angle mirror
- Air conditioning Tempmatik
- Cruise control
- Mud flaps on front and rear axle

## Superstructure

- Great garage door on driving direction right and left
- Heated double floor incl. basement boxes
- HYMER frosted glass roof vent 40 x 40 cm with pleated darkening blind and fly screen in bathroom
- GRP roof coating (GRP roof coating is not in exterior finish. The surface of the GRP coating doesn't comply to an painted exterior plate)
- HYMER Panorama roof vent 80 x 50 cm with LED illumination in living area
- HYMER clear glass roof vent 40 x 40 cm with pleated darkening blind and fly screen over rear bed(s)
- Appealing, modern exterior visual appearance due to round accumulative form in aluminium smooth metal
- GRP light construction floor with Styrofoam insulating
- LED awning light with rain deflector
- Folding darkening system in driver's cabin made of high quality pleated material
- Driver's door with electric window and illuminated entry
- Comfort entrance door with window and inner shell
- Electric step for driver's door (automatic move-out on opening driver's door)
- Electric step, 2-stepped
- Electric seat lift
- Maxi stowage compartment under L-seating group with flap to load from outside
- Outside hatch on driver's side to load L-seating group (depends on layout)
- HYMER clear glass roof vent 40 x 40 cm with pleated darkening blind and fly screen above separate shower (except StarLine 580)
- Hinged window in rear in driving direction on the right and left (on LHD vehicles) with pleated darkening blind and fly screen (depends on layout)

## Outfitting

- Pull down bed manual lowerable
- Additional cushion between lengthwise single beds with extendable ladder (separated cushion)
- Comfort L-shaped seating group with lounge upholstery and 2 integrated 3-point belts
- Luxury table: swivels through 360°, lengthwise and across slidable with solid wood frame
- Aguti Ergoflex pilot seats in living area fabric, swivel, with electric lift (15 cm)
- Fly screen roller blind on entrance door
- Wooden slatted frame with high quality, extra strong cold foam mattresses
- Wooden slatted frame in the shower

## Heating / A/C / On-board systems

- Heating Combi 6 with warm air system
- Complete interior illumination in LED
- Boosted battery 12 V 95 Ah AGM
- Waste water tank 140 l, insulated and heated
- Electric waste water tank drain
- Fresh water tank 20/170 l, insulated and heated
- Bar lighting LED
- Night lighting with changeover switch

## Multimedia

- Flat screen bracket
- Radio-/ TV provision incl. 12 V socket, surface speaker in rear bed room, radio and DVB-T antenna

## Kitchen

- Jumbo fridge 160 l
- Extra deep sink with fitted cutting board and high water tap
- Servo-Soft move in kitchen area

M A K E

## High-tech-body

- + PUAL foamed any fully glued
- + GRP-roof coating / GRP floor
- + Insulated glass for side cab window and drivers door
- + Garage resilient up to 350 kg, with large door on the RH as well as on the LH side
- + Maxi-stowage under the L-seating group
- + Heated double floor incl. stowage trays
- + Electric windscreen shutter
- + S7 framed windows with insulating cover without cold bridges
- + Comfort-entrance door with double locking and window
- + Stowage flaps/-door made of PUAL and with splash water seal

## Chassis

- + Mercedes Benz Sprinter with 190 hP 6-cylinder-engine
- + Rear wheel drive with twin tires
- + Automatic gear 7G-TRONIC (automatic transmission)
- + Air conditioning Tempmatik
- + Cruise control
- + 5,3 t permissible mass
- + Despite S package almost 1 ton of payload!
- + 100 l fuel tank
- + Hill start assist AAS integrated into ESP
- + Reinforced stabilizers at front and rear axle

## Safety

- + Driver's and passenger airbag
- + ADAPTIVE ESP + ESP trailer stability assist
- + Anti-lock Braking System ABS
- + Brake Assist System BAS
- + Electronic brake force distribution EBV
- + Traction Control ASR
- + Daytime running light
- + Electric exterior mirrors incl. wide-angle mirror
- + Panoramic windscreen with huge wiping field and 3 windscreen wipers
- + Top-visibility due to reduced left and right B pillars

# YOUR STARLINE A STARLINE - :

The HYMER StarLine fulfils highest demands to mobile travelling. As "Premium Integrated with Star" it offers more living- and stowage room, more independence and better driving comfort. The StarLine 680 and 690 now becomes more highlights with the optional options package. The main focus here lies – next to much technical finesse such as the automatic gearbox 7 G Tronic – in the processing of very high class material. The kitchen worktop for example is made of solid surface, the ceramic toilet upgrades the open washroom and the table with the frame of real wood and also the furniture flaps in classy high-gloss underline the sense of well-living in a Premium motorhome.

Kitchen worktop made of solid surface

Ceramic-toilet

Cool Glass sink

Enlargeable table with frame of real wood

High-gloss furniture flaps

## Self-sufficiency & Technology

- + 170 l fresh and 140 l waste water tank
- + Warm water heating with heat exchanger
- + In multiple cold chamber tests tested and proven heating technology
- + More than 15 built-in convectors including garage, double floor and dashboard
- + Interior illumination exclusively in energy-saving LED
- + 285 Ah power supply (3x95 Ah AGM-batteries with additional charger 18A)
- + 1500 W Inverter with mains priority circuit
- + Up-rated alternator 180 A
- + HYMER Smart-Multimedia-System
- + Speakers in the living and bedroom area

## Luxury

- + Exterior finish: Sierra grey metallic with design stickers
- + Electric seat lift for driver- and passenger seat
- + Noble high gloss furniture flaps
- + Extendable design table with wood frame
- + Multi zone cold foam mattress
- + Nightlight, shiftable from front- and rear bed
- + Kitchen work plate made of solid surface
- + Ceramic toilet
- + Sink in bathroom made of Cool-Glass

## Equipment

- + 160 litre Jumbo fridge with separate freezer
- + Fly door
- + Driver's door with electric step
- + Panorama roof vent above living area
- + Radio-/TV-provision
- + 19 inch LED flat screen incl. DVD-drive
- + Electric pump out of waste water
- + Entrance lighting in driver's cabin with delayed dimming function
- + Ambiance lighting
- + Wooden slatted frame in the shower

You will find the complete equipment and the price for the S-pack on the following page.

# Information

## Important information

Important notes:

All prices are subject to an On The Road charge of £2000,00 to include, transportation from Germany, 12 months road fund licence, first registration fee, PDI, Valet, £40 fuel and number plates.

Any change in the original factory condition of your vehicle may impair vehicle handling and traffic safety.

Accessories and original spare parts recommended by HYMER AG are specially designed for your vehicle and approved by us. Your HYMER dealers offers these products and can provide you with information on technical specifications and carry out the necessary work professionally. Accessories, add-on parts and conversion parts not approved by HYMER AG may cause damage to your vehicle or impair traffic safety. Even if an expert's report, a homologation certificate or a type test certificate is available for this part, it does not imply that the nature of the product is in order.

We hope you appreciate that HYMER AG can accept no liability for damage caused by products not approved by HYMER AG or by unauthorised changes made to the vehicle.

Weight specifications are approximate. The payload quoted in the price list is reduced by the weights quoted in the price list when optional extras are fitted.

Specifications on scope of supply, dimensions and weights of vehicles are subject to deviations within factory tolerances (+/-5%) and permissible. They are correct to the knowledge available at the time of going to press and European homologation provisions. They may change up to the time of vehicle purchase or delivery. Your HYMER dealer will gladly provide you with information on changes and the standard scope of delivery.

Please remember that the specified axle loads must be complied with in particular when rear add-on parts, such as motorbike rack or towbar are fitted.

Prices quoted for optional extras are only valid as part of the standard new production. Retrofitting certain optional extras is not possible in some cases and may entail considerable extra costs.

This price list describes the series status at the time of going to press. Despite careful checking of the contents, printing errors are not excluded. During the course of the model year, we retain the right to make changes to equipment and make product improvements.

Layouts are mainly depicted with optional extras available at extra charge. They are not part of the standard equipment.

The water supply system is state of the art as of 07/2011 (EC Directive 2002/72/EC).

Before signing a contract of sale, please ask our authorised HYMER dealer for our current products and series status.

All prices are non-binding recommended sales prices in Sterling ex works including the valid statutory value added tax. Costs of freight, registration or handover are not included.

We reserve the right to change prices, design and equipment.

This price list replaces all previous versions.

Collection by the customer

Unfortunately it is not possible to collect your motorhome personally from the factory.

## Technical Data

- \*) Data not available at time of going to press
- a) Please note: Any other motor or chassis frame options, e.g. automatic transmission or air conditioning unit, are subject to surcharge and cause the vehicle weight to increase. For chassis frame related optional equipment, the additional weights of the individual chassis frame and/or motor options are given in the respective optional equipment lists.
- b) Mass in roadworthy condition according to EN1646-2 incl. basic equipment (75kgs for driver, filled fuel tank, water tank in driving condition filled with 20 litres, gas in aluminium cylinder 100% full, and electrical cable) in basic option. Masse in roadworthy condition (and payload or number of persons possible) varies according to motor or equipment options or depending on optional equipment attached. Deviations within the factory tolerance limits are possible and allowed.
- c) The mentioned payload depends on the mass in running order and will be reduced proportionally by the weight of the installed optional extras (the weights can be taken from the price list or can be asked by the dealer) and assumes optimal distribution. The maximum permitted payload consists of conventional load: 75 kg per passenger, user payload (10 kg personal baggage per passenger and driver, plus 10 kg per meter of the vehicle length) and remaining payload can be used for additional extras or baggage.
- d) The specified number of people decreases in relation to the increase in the total vehicle operating weight (b). In addition to this increase is the engine size difference compared to the basic variant, the optional extras fitted and the choice of suitable equipment variants. Refer to the weight specifications in the price list or request them directly from your HYMER dealer to make sure that you do not exceed the maximum permissible total weight and that there is sufficient loading capacity left for persons and the equipment and materials required.
- e) Up to 12% uphill grade: with increasing altitude, the engine power decreases inevitably. As of 1000 m above sea level and for each additional 1000 m each time 10% of the vehicle and trailer have to be reduced.
- f) The overall height increases of approx. 5 cm for the Fiat Ducato Maxi.
- g) Height changes if optional extras are fitted, e.g. satellite dish, roof railing, etc..
- h) External width is equivalent to the dimension from outer wall to outer wall.
- i) Total width is equivalent to dimension including wheel arches.

## Comments

- 1) Not in conjunction with additional wardrobe (Code 42721)
